To Whom it may concern,

In 2016-2019 DEKRA Polska sp. z o.o. performed for Investor the project management services encompassing among others:

- investor's supervision (multi-branch team in the following sectors: building and construction, heating, ventilation, air-conditioning, gas, water and sewerage system, electrical installations and electrical power engineering devices),
- Investment management,
- Value engineering
- Verification of design and budget documentation,
- Conducting tenders, cost estimations, and financial settlement,
- Tenants' fit out works coordination.

We wish to confirm the high quality of services performed by **DEKRA Polska Sp. z o.o.** We had the opportunity and pleasure to work with highly skilled, professional team with wide experience and knowledge of the construction process.

Due to engagement, loyalty and commitment to the duties **DEKRA Polska Sp. z o.o.** gained our recognition and trust. We can recommend DEKRA with no hesitation and full awareness as a proven, solid and professional Partner in Investments.

Z poważaniem

Barbara Zbyszewska, MBA
